Selectmen's Meeting:

The Selectmen hold their regular meetings on the second and last Tuesday of each month at 8:00 P.M.

INVENTORIES

The Selectmen will receive inventory blanks, over 65 exemptions, veteran's exemptions and Current Land Use Applications and hear parties regarding their liability to be taxed at the Selectmen's Office from 9 A.M. to 12 noon on Saturday, April 9, 1983.

NOTE: That no appeals for abatements can be considered unless a FULLY completed inventory form has been filed with the Selectmen by April 15, 1983.

Board of Selectmen

THE STATE OF NEW HAMPSHIRE

WARRANT FOR TOWN MEETING

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the Eighth day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend the Zoning Ordinance as follows:

Article III . . . definitions by adding the following:

M. Manufactured housing including mobile homes means all forms of modular, unitized or prefabricated housing, assembled on a building site, placed on a foundation and tied into all conventional and necessary utility systems and which are intended to be used as a permanent dwelling unit.

N. Mobile home means a prefabricated single family dwelling unit which is of vehicular portable design, on a chassis for movement on wheels; designed for long term and continuous occupancy; and on arrival at a site, is ready for occupancy except for incidental assembly, placement and connection to utilities.

O. Mobile home park means any parcel of 30 or more acres of land under single or common ownership or control, which contains or is designed, laid out or adapted to accommodate 5 or more mobile homes, placed and connected for use as dwelling units.

P. Travel Trailer and Motor home means dwelling units designed to be completely roadable, self-propelled or towed, and intended for use as temporary living accommodations incident to travel and/or recreation/vacation.

Article XII . . . amend to read:

A. Manufactured housing, including mobile homes, which meets the requirements of the Warner Building Code for dwellings may be placed on any building site which meets the zoning requirements for a single family dwelling. Thereafter, such housing shall be considered and treated, in all respects and for all purposes, the same as dwellings constructed on site. Prior to on-site assembly, placement and occupancy, manufactured housing shall be subject to the requirements for such Warner building and occupancy permits, inspections and certifications as are required for dwellings constructed on site.

B. Mobile homes placed in a mobile home park shall conform to the construc-

tion and safety standards established by the Federal Department of Housing and Urban Development. However, it is not required that they meet the Warner Building Code requirements for a permanent foundation and a minimum of 500 square feet of ground floor living area.

C. Mobile home parks must have a minimum area of 30 acres and conform to State of New Hampshire laws pertaining to mobile home parks, RSA 205-A. Mobile home parks are permitted in any district zoned for single family dwellings, subject to the use regulations for single family dwellings in the district in which it is located. Space allocations for individual mobile homes within a mobile home park shall conform to the requirements for building lots within the district where the mobile home park is located.

D. Travel trailers and motor homes registered for use in New Hampshire may be parked on land owned by the registered owner of the travel trailer or motor home, provided that it is not occupied in such location more than 30 consecutive days in any 12 months period and provided further that the location and condition of such trailer or motor home is not detrimental to the neighborhood or to property in the vicinity.

A property owner may accommodate the travel trailer or motor home of a non-paying guest for a single period of not more than 90 days in any one period of 12 consecutive months.

3. To see if the Town will vote to amend the Use Table as follows:

Retail and Service . . . by adding the following:

	R-1	R-2	R-3	B-1	C-1	OC-1	OR-1
8a Sheltered care facility	S	S	S	S	S	S	

"Adult sheltered care facility" means a place which is operated on a 24 hourly basis to provide residential accommodations, personal care, social, occupations and recreational services or training to persons whose health and safety requires continual supervision. New Hampshire Code of Administrative Rules, Chapter He-P 804.

4. To see if the Town will vote to amend the Building Code Ordinance as follows:

Article 11 under section B . . . add the following:

1a. Manufactured housing must meet the federal minimum property standards for single family dwellings and the mobile home construction and safety standards as published by the Department of Housing and Urban Development. (all of the above submitted by the Planning Board)

5. To see if the Town will vote to amend the Zoning Ordinance as follows:

M. Manufactured Housing or Mobile Home Subdivision means a subdivision of four (4) or more lots (Major subdivision) which is subject to and in compliance with the Subdivision Regulations of the Town of Warner. Each lot within such subdivision shall comply with all requirements of the Town of Warner

Zoning Ordinance for single family lots in the district in which said subdivision is located.

N. Mobile Home means a prefabricated single family dwelling unit which is of vehicular portable design, on a chassis for movement on wheels; designed for long term and continuous occupancy; and on arrival at site, is ready for occupancy except for incidental assembly, placement and connection to utilities.

O. Mobile Home Park means any parcel of 30 or more acres of land under single or common ownership or control, which contains or is designed, laid out or adapted to accommodate two or more mobile homes, placed and connected for use as dwelling units.

P. Travel trailer and Motor home means dwelling units designed to be completely roadable, self-propelled or towed, and intended for use as temporary living accommodations incident to travel and/or recreation/vacation.

Article XII . . . amend to read

A. Manufactured Housing, as defined by New Hampshire Revised Statutes Annotated (RSA) 31:118, which meets the requirements of Warner Building Code for dwellings, may only be placed in Manufactured Housing or Mobile Home Subdivision in any district zoned for single family dwellings. Manufactured Housing in such subdivisions shall be considered and treated for all purposes and shall be subject to the same requirements, ordinances, codes and regulations as dwellings constructed on site.

B. Mobile Homes placed in mobile home parks shall conform to the construction and safety standards established by the Federal Department of Housing and Urban Development. However, it is not required that they meet the Warner Building Code requirements for a permanent foundation and a minimum of 500 square feet of ground floor living area.

C. Mobile home parks must have a minimum of 30 acres and conform to State of New Hampshire laws pertaining to mobile home parks, RSA 205-A. Mobile home parks are permitted in any district zoned for single family dwellings, subject to the use regulations for single family dwellings in the district in which it is located. Space allocations for individual mobile homes within a mobile home park shall conform to the requirements for building lots within the district where the mobile home park is located.

D. Travel trailers and motor homes registered for use in New Hampshire may be parked on land owned by the registered owner of the travel trailer or motor home, provided that it is not occupied in such location more than 30 consecutive days in any twelve month period, and provided further that the location and condition of such trailer or motor home is not detrimental to the neighborhood or to property in the vicinity.

A property owner may accommodate the travel trailer or motor home of a non-paying guest for a single period of not more than 90 days in any one period of 12 consecutive months. (the above submitted by petition)

6. To see if the Town will vote to clarify the vote taken in 1982 in regards to solar heating or cooling systems. Said article stated: exemption shall be in the amount equal to 100% of solar heating or cooling system.

Article to read: exemption shall be in the amount to 100% of assessment of solar heating or cooling system.

ADJOURN: FOR BUSINESS MEETING
WEDNESDAY, MARCH 9, 1983 AT 7:30 P.M.

7. To see if the Town will vote to appropriate the sum of \$31,232.00 (Thirty One Thousand Two Hundred Thirty Two Dollars) for the Police Department. Said sum including conversion from a part-time Chief of Police to a full time Chief of Police. (included in budget)

8. To see if the Town will vote to appropriate and authorize withdrawal from Revenue Sharing Funds for use as set offs against budgeted appropriations for the following specific purposes and in the amounts herewith or take any other action hereon: (included in budget)

APPROPRIATION	AMOUNT
Oiling	\$14,500.00
Bridge (at French's Brook)	4,000.00
Capital Reserve (Highway Equipment)	7,000.00
	<hr/> \$25,500.00

9. To see if the Town will raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

10. To see if the town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of New Hampshire and to the health and welfare of the people of New Hampshire.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emission, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote of this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States. (by petition)

11. To see if the Town will adopt as a by-law or ordinance of the Town the

"Licensing and Regulation of Amusement Devices and Centers" made by the Selectmen on July 3, 1982, pursuant to RSA 31:41d and 42, the provisions of which have been published at length and are herein incorporated by reference.

12. To see if the Town will vote to amend the site plan review authority (adopted in 1981 Town Meeting, Article 16) of the Planning Board to include multi-family dwelling units, other than one and two family dwellings.

13. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes on the note or notes of the town.

14. To see if the Town will authorize the Selectmen to sell property taken for taxes.

15. To see if the Town will vote under RSA 31:95-b to permit the Board of Selectmen to accept gifts and grants on behalf of the Town of Warner.

16. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt by laws on behalf of the Town of Warner until the next annual meeting.

17. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

18. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 8th day of February, in the year of our Lord nineteen hundred and Eighty-Three.

SELECTMEN'S REPORT

Anticipated and unanticipated necessary repairs to the Town Hall were completed during the year. Scheduled additions to the insulation in the stage area of the main hall were completed in the fall, while early spring brought the necessity to substantially repair a crack in the building's chimney.

In many respects, 1982 seemed to be the year in which the town tried to prepare for growth and change. While the Planning Board adopted Site Plan Review regulations and began the process of drafting an ordinance to comply with State requirements as to mobile homes, the Selectmen adopted measures to deal with a growing village district. If nothing else, the summer of '82 was the summer of video games. With the help of many concerned citizens and after several public hearings, the Selectmen adopted by-laws regulating and licensing video arcades and video games within the town. In addition, in response to concerns expressed to the Selectmen during the year, the Selectmen appointed a special committee to study the costs to the Town of a full time Police Department. The Selectmen would like to thank Patrick Kelly, Otto Fredericks, Paul Violette, Charlotte Kelley and John Davis, for serving on that committee and providing a valuable report which formed the basis of Selectmen's recommendations to the Budget Committee.

The town acquired a new truck for the Highway Department as well as a fire truck during the year. Efforts to sell the Oshkosh by a bidding procedure proved unsuccessful since no acceptable bids were received. Alternate arrangements were made to obtain a fair price in the sale of that vehicle, although as of the close of the year, no sale had yet occurred.

With the aid of good timing and perhaps some luck, the town was also able to obtain a new bridge on North Road. Work on the bridge was completed this year by the State at a very reasonable cost to the taxpayers of the town.

The town's expenditures for social services increased dramatically during the year due in large part to cuts in the Federal, State and County programs. In spite of this, the town tax rate increased only two cents from 77¢ to 79¢ per hundred and we were able to finish the year with a sizeable unexpended surplus. The Budget Committee and town departments must be given credit for their efforts in keeping growth of the town's portion of the tax rate to a minimum.

Finally we wish to express our gratitude to the numerous organizations and citizens for their efforts and contributions to the town.

LARRY PLETCHER
Chairman

REPORT OF THE COMMITTEE FOR REVIEW OF THE NEED FOR A FULL TIME POLICE DEPARTMENT

To the Town of Warner, N. H.:

A committee was formed for the purpose of reviewing the current and past police activity, types of activity and the cost factors to aid in the determination of whether the Town of Warner is in need of a full time police department. We were not asked to make a recommendation as to such need, but only to supply information.

We performed this task by obtaining and reviewing statistics and costs from surrounding communities as well as from the Town of Warner. We also interviewed several of the police chiefs in the area.

The number of calls handled by the Town's part-time department has increased about 54% since 1980.

The total annual cost for the first year of operation was estimated to be between \$50,500 and \$55,700. These figures include a new cruiser. The annual budget for 1981 was \$15,810. Based on this there would be an increase of approximately \$40,000, if the Town elect to have a full time department.

A more detailed report was submitted to the Town Selectmen and the Budget Committee.

Respectfully submitted,

L. PATRICK KELLY, Chairman
PAUL VIOLETTE
JOHN DAVIS
OTTO FREDERICKS
CHARLOTTE KELLEY

By vote of March 9, 1982 Town Meeting, purpose changed (172 yes, 12 No) to Fire Tank Truck Capital Reserve – and to use said funds and any interest for purchase of Fire Tank Truck.

AUDITORS’ REPORT

We, the undersigned, have audited the records of Mary Lord, Treasurer, of the Trustees of Trust Funds for the town of Warner, New Hampshire for the year ended December 31, 1982 and found them to be correct. The market value of permanent trust funds totaled \$142,682.33. The balance of the income accounts was \$26,350.64 on December 31, 1982.

Respectfully submitted,

Warner, New Hampshire

POLICE DEPARTMENT REPORT

A significant change took place this year in connection with the department's dispatch operations. This important function is now handled by the Merrimack County Sheriff's department without any change in local calling procedures, the same number for Warner P.D. is used. This step was taken to insure continued efficient dispatch services after it became evident that due to lack of personnel it would not be possible to continue our local arrangements. The new system has the added benefit of providing direct radio dispatch to on-duty officers. We wish to take this opportunity to thank Jean Fairney and Betty Fredericks who served the department and the Town of Warner as dispatchers since 1977. Also Bob Chase who worked with us up until a short while ago. They did an outstanding job of providing a vital service in our local dispatch operations which served this community very well indeed.

The year 1982 was another very active one for department personnel as can be seen from the activity report summary. Calls to dispatch, number of complaints and number of patrol hours serve to highlight the increased activity during this year. The number of cases brought before the courts by the department represents many hours of case preparation and court trial time. Many of these cases, it should be mentioned, are alcohol abuse related in connection with a variety of complaints. Included were, motor vehicle operation under the influence, assaults, vandalism, criminal mischief and theft cases. Your attention is directed to the fact that there is a continuing alcohol abuse problem among a relatively small number of young people and adults in the community. The department has attempted to focus attention on this problem through its sponsorship of an American Automobile Association alcohol abuse educational program in our school system. Other groups and agencies in the town are also addressing this matter by providing programs designed to help individuals who have become victims of alcohol abuse.

I wish to thank the officers of this department, Dennis Crawford, Robert Mitchell and Michael Cutting, for another year of fine performance and dedication to duty. They have contributed a great deal of time and effort in carrying out their enforcement responsibilities as members of this department. They are a credit to the community.

Thanks also to the members of the Board of Selectmen, Chief Violette and members of the Warner Fire Department, New Hampshire State Police, Merrimack County Sheriff's Department as well as neighboring Police Departments for their continuing assistance and support during the year 1982.

OTTO W. FREDERICKS
Chief

WARNER FIRE DEPARTMENT REPORT

December 31, 1982

Each year for the past five years the alarm totals for the Department have increased. In 1982 the alarms were three times as many as in 1972, just ten years ago. The greatest increase is in the area of medical emergencies and motor vehicle accidents. In 1982 these calls accounted for 58% of the total.

Much of our training activity has been in the area of medical aid and handling vehicle emergencies. Twelve members completed a 100 hour Emergency Medical Technician course in March and training sessions were held for all members in vehicle extrication, rescue from heights, CPR and many other subjects.

Our new Tanker, which was approved for purchase at Town Meeting in March, arrived and was placed in service early in August. We sold our old Tanker to the Town of Alstead, NH in late August. We are happy to report that the new unit was purchased for less than the budgeted amount of \$35,000.00, thereby not requiring additional taxes to be raised for this item. The total came to \$33,400.00

In October department members scraped, painted and insulated the fire station on Kearsarge Street. This station houses a second Tanker which is used for water supply all year. Previously this truck was drained in the winter months.

As our alarms increase the job of answering calls on the telephone and dispatching becomes harder to handle effectively. We are studying various methods of dispatching and looking at the possibility of going to a central dispatch facility within the next year or so. A list of the department activity is included with this report.

We would like to thank everyone who has helped us during the year. A special thanks to the Police, Highway, Village District Departments and all Town Officials for their assistance.

PAUL E. VIOLETTE,
Chief

REPORT OF TOWN FOREST FIRE WARDENS
AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N. H. Division of Forest and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

PLANNING BOARD REPORT

The Board held eleven regular monthly meetings, six public hearings, and five special meetings during the past year. Four minor subdivisions and one annexation were approved by the Board. There were also four preliminary consultations held.

The Board revised and adopted new local subdivision regulations to comply with changes in state laws. These changes pertain mainly to procedures in handling subdivision applications. Preliminary consultation is a newly added step, allowing a prospective applicant to generally discuss ideas and receive necessary requirements of an application with the Board before formally submitting an application. The Board also adopted a site plan review for Warner. The site plan review is for development of tracts for non-residential and multi-family uses whether or not such development includes a subdivision. Copies of both the subdivision regulations and the site plan review are available to the public at the Selectmen's office.

Changes were also made in the state's mobile home laws (manufactured housing), requiring towns to change their local ordinances if they did not presently comply. The Board has proposed an amendment relative to the zoning ordinance on mobile homes that will both meet state requirements and fulfill the town's needs. Warner's present ordinance permits mobile homes in mobile home parks. Other forms of manufactured housing have equal access to residential areas with housing that is constructed on the site. The summary of the new state law is that mobile homes must be permitted in at least some residential areas without restrictions which are not placed on comparable single family housing.

Mrs. Elaine Southard resigned from the Board for personal reasons after many

years of service on both the local board and the Central Regional Planning Board. The Board thanks Elaine for her very substantial contributions and wishes her the very best in health and happiness.

Mrs. Janet Carlson was appointed as an alternate member to the Board.

RHONDA BRIDGEWATER
Secretary for the Planning Board

"HEALTH BEGINS AT HOME"
KEARSARGE VISITING NURSE ASSOCIATION
ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to provide personalized health care to the residents of your community. We serve people of all ages and all walks of life. Our professional staff works with physician and family to provide comprehensive health services at home. We are also able to offer many free health programs without an increase in your town appropriations for the fourth year in a row. Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Visits to your town are reflected in the following graph.

If you know of someone who needs help, please call us at 526-4077. We will give a free evaluation visit with follow-up and referral as needed.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on the Kearsarge VNA Board of Directors are:

Ms. Rebecca Courser

Mr. John Malone

Mrs. Lynn Smith

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The CNHRPC has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission is solely an advisory body to its member communities, and as such is often invited to provide technical assistance and advice on local projects.

For 1983, the Commission and its member communities face additional new challenges. The changing policies and priorities of both the state and federal governments continue to place additional responsibilities on local governments, such as the new state solid waste law which mandates regional cooperation. The CNHRPC, being active in many of these areas and being close to the local level of government, is aware of these strains being placed on our communities. In addition to the traditional planning, zoning and ordinance assistance offered, we are continually working to develop new ways to help our member communities, and to expand our services into those areas that have the greatest need. As in the past, we urge full participation by our member communities in the affairs of the Commission, and encourage questions and comments to be directed to the Commission office in Concord.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future, and fully appreciates the past support of its activities by the Town of Warner.

Respectfully submitted,
CHARLES THOITS, III
Representative to the Commission

PILLSBURY FREE LIBRARY

Under the guidance of Mrs. Mae George and her staff another successful year has passed.

Seventy-four new people have registered.

Four hundred forty-one new books have been added including paper backs. We have also subscribed to four new magazines, and purchased twelve new phonograph records and seven film strips.

During the year 9,659 adult books, 1,486 children's books, and 1,578 magazines were circulated.

The exhibits were many, varied, and nicely displayed. One especially "The United States Constitution" was most favorably received.

All new books are always put on display. Every week Mrs. George has a well attended story hour, and shows films monthly.

The copier that the trustees authorized has more than proved its worth.

Late last winter and early spring we noticed water seeping between the stones on the steps and the archway. Upon putting this repair job up for bids, Mr. York of Hopkinton was low bidder and did an excellent repair job.

At Christmas time the rooms were tastefully decorated by Mrs. MacAllister.

Respectfully submitted,

RICHARD U. COGSWELL, Chairman
The Board of Trustees

WARNER VILLAGE FIRE DISTRICT
WARRANT FOR ANNUAL MEETING
1983
The State of New Hampshire

To the inhabitants of the Warner Village Fire District in the Town of Warner, in the County of Merrimack, in said State qualified to vote in Precinct Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the 15th day of March next, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Commissioner for three years.
3. To choose a Clerk-Treasurer, two Auditors and other agents or Officers for the ensuing year.
4. To hear the reports of the District Officers and Committees for the preceding year and pass any vote in relation thereto.
5. To see if the Warner Village Fire District will vote to establish a Capital Reserve Fund for capital improvements to the water supply and or system. The sum of Ten Thousand dollars (\$10,000.00) to be raised by taxation this year.
6. To see what sum of money the District will vote to raise and appropriate for the care and improvement of the Water and Sewer systems and for Fire Protection.
7. To see if the Warner Village Fire District will vote to authorize the Commissioners to accept gifts and grants on behalf of the Warner Village Fire District.
8. To see if the Warner Village Fire District will authorize the Commissioners and District Treasurer to borrow money in anticipation of Taxes, Water and Sewer rents on the Note, or Notes of the Warner Village Fire District.
9. To transact any other business that may legally come before this meeting.

Given under our hand and seal, the 3rd day of February, in the year of our Lord Nineteen Hundred and Eighty-three.

WARNER VILLAGE FIRE DISTRICT
Commissioners' Report on the Water and Sewer System

The Commissioners are pleased to report that the reservoir has more than been able to keep up with demand this past year with the amount of rainfall we have had. We have not always been this fortunate. For this reason, this year of 1983 the commissioners will be exploring the most economical manner in which to expand our water storage capacity as well as monitoring the increased interest by private parties in developing the land for homes near the reservoir.

We requested a Capital Reserve Fund for the water system in the budget. As most of our time has been spent on the sewer system in the past, we feel it is time to do some work on the water system. This is an excellent year to do this as we have some refund money from E.P.A. to pay the bond. As a result we do not have to raise additional funds for our bond this year.

The chlorinator automatic metering system is functioning well on both the domestic line and fire flow line.

Just before the reservoir froze this fall we treated the water for an algae growth which is under control at this time.

There were three homes in the district that were not on the new sewer system when it was installed. As of this spring all of these homes will be on the system making the entire District complete.

The Sewage Treatment Plant is running well, and with the continuation of regular maintenance programs we foresee no big problems.

We wish to thank our two full time employees, Al Maheu and Tom Chandler for a job well done, also our thanks to those who helped and assisted us in times of emergency and to the subscribers for their patience and understanding.
